Member's Name

By taking the Say Something Sweet pledge, this member has committed to noticing, pausing, and choosing kind words in their classroom, their home, and their community.

THE FIVE PROMISES

1. I will think before I speak — and ask: is this sweet or sour?
2. I will celebrate what makes people different.
3. If I say something sour by accident, I will apologize and do better.
4. If I see someone being treated like they don't belong, I will say something sweet.
5. I will share at least one sweet word every single day.
